## Penguin 726 S+, R+ & V+ Cash Deposit System

### A unique line of self-service machines

As a result of CTcoin's long tradition of product development combined with a successful collaboration with Bang & Olufsen designer David Lewis a new generation of self-service cash deposit machines is introduced. Penguin + models 726 have higher speed, lower noise level and more options.

### A reliable cash deposit machine

CTcoin's 5<sup>th</sup> generation alloy sensor technology ensures highest counting accuracy and rejects foreign coins, counterfeit coins and tokens etc.

### Improved features:

- Speed: Up to 1100 coins/minute
- Reduced noise: More than 50% noise reduction

### Penguin 726 S+ offers all the well-known CTcoin advantages:

- Non-sorting
- Counting of up to 20 different coin denominations
- Rejection of foreign coins, counterfeit coins, tokens etc.
- 2 different coin denominations can be shown in the 4 x 20 line display
- Automatic coin feeding (conveyor belt)
- Tilt sensor for easy cleaning of coin rail
- Programmable bag stop (by number or weight)
- Battery back-up
- Interface RS 232 (PC connection)
- CTcoin's patented hopper cleaning system
- Rail-stop function
- Programmable fee system
- Printer

### Options:

Coin cartridge,  
adapter for upgrading  
of software and  
optional colour
